Corporate Overview

KLM Empowered was established in 2005 and is a proud Level 1 B-BBEE company.

Through its Knowledge X-Change Centres of Excellence, KLM Empowered delivers world-class, globally recognized skills transfer solutions that enable individuals and organisations to build future-fit capabilities and remain relevant and effective in a world characterized by continuous change.

KLM Empowered has become well-known for excellence in the design, delivery, and project management of skills development, socio-economic development, and leadership development initiatives that complement business transformation strategies, add extraordinary value to the achievement of B-BBEE objectives, and ensure an optimal return from investment in people development.

KLM Empowered has produced a remarkable track record of competence development and project success and remains the first choice among many esteemed clients for learnership implementation and leadership development.

Footprint

KLM Empowered has a national footprint and has become a preferred project partner for the delivery of skills development initiatives across the country. KLM Empowered currently has two Centres of Excellence: Business and Leadership, but has its sights set on expanding its Centres of Excellence into the fields of ICT, Hospitality, and the Culinary Arts.
