Exit Level Outcomes

1. Manage human relations and Service Level Agreements (SLAs) in the transport sector.
2. Implement support functions for an effective transport system.
3. Plan, prepare and maintain vehicle management system and transport infrastructure.
4. Comply with legislation.
5. Manage transport administrative systems and financial aspects.

The KLM Empowered X-Perience

X-Ploration

For each of the SIX integrated learning blocks, learners explore content on their own before engaging with others. Guided by self-study plans and diagnostic self-assessment, they formulate their own insights to share.

X-Tension

Workplace application assignments allow learners to put their new learning to use on the job. Under the guidance of mentors, and with access to performance and wellness support, learners hone their skills and add value.

X-Citement

Learners receive a welcome letter and an X-Perience Map detailing the flow of their qualification. An orientation session helps them to understand the benefits and career options linked to the qualification.

X-Change

Learners attend facilitator-led sessions, either in class or online, to share their learning and refine their skills in a safe environment. Collaborative activities and peer feedback build learning synergy and allow learners to master specific skills.

X-Cellence

Each learner's progress is measured against learning outcomes through formative and summative assessment. Final examinations and presentations are used to obtain an accurate picture of overall understanding and mastery of the content.

Compulsory Modules

1

Compulsory Knowledge Modules

ID	Title	Level	Credits
132403000-KM-01	Road Transport Management Theory	5	25
